

5th International Conference
PHYSICAL MEDICINE AND REHABILITATION
May 22-23, 2023 | London, UK

Received Date: 21-03-2023 | Accepted Date: 23-03-2023 | Published Date: 06-06-2023

Current trends in identification and management of Pediatric Concussion/ Mild Traumatic Brain Injury

Reginald Talley

The Ohio State University College of Medicine, USA

Objectives

- *Define Concussion/Mild Traumatic Brain Injury
- *Public health concern of Mild Traumatic Brain Injury
- *Difference in recovery between adults and children
- *Evidence-based assessment and management of pediatric concussion
- *Patient and family education
- *Future research
