

Awards at Euro Personalized Medicine 2020

Sergey Suchkov

From the successful completion of several International conferences in the field of **Personalized Medicine** and Pharmacogenomics, the Longdom Conferences is glad to include another international conference in the series. The conference is titled as “**European Summit on Personalized Medicine and Pharmacogenomics**” the conference will be held on **May 28-29, 2020 at Frankfurt, Germany**.

The special moment added in the conference is award distribution. The award is to encourage the speakers, participants, Keynote speaker; Young scientist people etc., there are several categories introduced to provide the awards. The awards will be delivered by the chairperson at the end of the conference.

The most important category awards are:

1. Best Keynote Speaker
2. Best Speaker
3. Poster presentation Award
4. Young Scientist Award
5. Best Question Award

Best Keynote Speaker

The best keynote speaker award will be given to the people who are presenting their presentation at the Personalized Medicine conference in a keynote speaker category. This award will be decided by the chairperson in the conference. This award is the most prominent and prestigious award given in the conference.

Best Speaker

The best speaker award will be given based on the research idea and how the person presenting their idea in the forum. The research idea should enhance, and it should be implemented in the real time treatment technique in the **Personalized Medicine**. The best speaker will be decided by the keynote speaker who is participating in the conference. The people could participate under the categories which they have been registered.

Poster Presentation Award:

The people under poster presentation category will be awarded with the best poster presenter. This will be selected based on the fascinating idea and it should create awareness

among the people about the Pharmacogenomics. This award will be decided by the organizing committee in the conference. The most fabulous moments are waiting in the conference to be happening.

Best Abstract Awards

All abstracts/papers submitted are critically reviewed by the Scientific Committee as to their eligibility and suitability. They are rated based on the quality of the presentation content, the educational value and the quality of the written abstract. The conference (congress) will offer awards to the three best abstracts (First, Second and Third).

A “Certificate of Appreciation” will be given to 2nd and 3rd nominations from the participant abstracts of the conference.

Young Scientist Award

The conference of **Pharmacogenomics** will also recognise and provide honour to the young research people who are fascinated to bring the changes in the treatment techniques. This award will be provided to the students. This award will be given based on the concept of research and how it will be useful for the patients.

Best Questioner award

This will be the different and most interested award given to the delegate who is asking queries to the speakers, research people presenting the research work. From delegates who is asking the most valuable and knowledgeable question to the presenter they will be provided with the best questioner award.

The conference will be having the workshop, scientific session, poster presentation, video presentation, etc., The people who are attending the conference are Industry people, research people, professors, head of the departments, Doctors, Healthcare sectors, etc., kindly spent a day at the useful place to gain a more knowledge.
