INTRODUCTION

The superior designation among the chief person will be head of worldwide presidents be the king. If such a high power king brings politically two things hydrogen and oxygen atoms then rain will be formation happened. And also if he put some sulfuric acid on any images photos then that person will be died politically. These are the war of things called politics. Suppose he brings two atoms near about then friendship will happen among those atomic body person it may be any sky species. All doer of action will control the kings power. This paper is focusing on how a person will be lucky and unlucky by political threats [1]. If such political activities are involving around his situation, person can't do anything simply he has to keep quiet. So everything will happen pre plan. There is no such criminal crime offences will be made against these circumstances. In business also politician brings good production output with good marketing. The effects of politics may be bad or good results. A good politician is in the form of god for his nation citizens.

DESCRIPTION

The war of things is called politics, nothing but suppose if on a table putting screw driver and spanner crossly then in workshop and garages full of customers arriving rapidly. Something in every sector combination of assembling things whether it may be two or many more elements or alloys, polymers, composites, things in general in addition to some attractive materials applying then there will be good happenings will be in appearance [2]. that may be in the form of marriages, in marriage combination jupiter planetic energy materials are bring into contact it may be in the form of grains, fruits, vegetables, cereals, elements, alloys etc when they are in assembly with persons part

of his things by combination marriages also happen [3]. Here jupiter plays very attractive energy will be gathered. In politics now a days more energy will be collecting from peoples likes, from this politician power will be intensity of his strength. So overall a good politician will be god father of his nation peoples. Here good planet jupiter will shows not only attraction power but also truthness of events activities of situations and circumstances. The environment natural processes are in control of good politician. Some parties work against corruption and some parties will be working against rape, illegal affairs etc [4].

CONCLUSION

The superior designation among the chief person will be head of worldwide presidents be the king. King brings politically two things hydrogen and oxygen atoms then rain will be formation happened. also if he put some sulfuric acid on any images photos then that person will be died politically series killing way. There is no such criminal crime offences will be made against these circumstances. The war of things is called politics. The effects of politics may be bad or good results. A good politician is in the form of god for his nation citizens.
